25X1

1. On 5 March 1963, the Joint Atomic Energy Intelligence Committee (JAEIC) was requested to study, in consultation with the [REDACTED] portions of testimony given by the Acting Director, United States Arms Control and Disarmament Agency (ACDA), to the Joint Committee on Atomic Energy, on 25 February 1963. JAEIC was requested to develop recommendations to the United States Intelligence Board, for transmittal to the Secretary of Defense, concerning the desirability of declassifying certain portions of this testimony, specifically pages 10 through 17 and the table of data. (Reference a)

25X1

2. On 19 March 1963, the Acting Director, ACDA, in a memorandum to the Director, Central Intelligence Agency, requested the declassification of data regarding the detection and identification [REDACTED]

(Reference e)  
In his memorandum to the Deputy Director, INR, Department of State, dated 20 March 1963, the Acting Director, ACDA, indicated that the declassification of pages 10 through 17 and the table of data from the 25 February 1963 testimony before the Joint Committee on Atomic Energy would satisfy this request.
